Japanese Deny CIA Tie

Tokyo, March 28 (Combined Services)—While acknowledging that the U.S. Central Intelligence Agency may be using the U.S. Embassy for its activities, Foreign Minister Takeo Miki told a parliamentary committee today that he knew of no contracts between the Japanese government and the CIA. A Socialist member of the Diet, Koza Inomata, had charged that the CIA once tried to bribe Singapore Prime Minister Lee Kuan Yew and called on Japanese Premier Eisaku Sato to explain the organization's position in Japan.
